Listen, Reflect, Respond

Today's gospel reading focuses on how we listen, and more importantly how we respond to God's Word. The parable of the sower and the seeds illustrates the different ways in which God's Word is received or not received. The seed sown on the path that grew quickly but was stolen by the birds represents those of us who hear the Word but fail to understand

it. The Word eludes us. The seed sown on the rocky ground represents those of us who hear the Word and receive it at once, but because the seed has no roots it is short lived. When trial and tribulation rear their ugly heads our commitment to God's Word is abandoned because our faith wasn't deep rooted to begin with. The seed sown among thorns represents those of us who hear the Word and would like to act upon it, but are so overwhelmed by worldly anxieties and diversions that the Word bears no fruit. Lastly, the seed sown in rich soil represents those of us who hear the Word, act upon it and realise results.

The Bible, and the teaching contained in it, is God's legacy to us, so how do we go about listening? Do we listen to the Sunday readings in a negative state of mind? Are we expecting to be bored by the readings, confused or indifferent before one word is even read? Do we ever take home the Mass sheet to reflect on the readings we have heard at Mass? Do we ever consider how the readings should be impacting our lives? Do we ever leave Mass determining to lead our lives a little differently?

It's obvious that a seed needs fertile ground to grow. Similarly, it's obvious that we need fertile hearts and open minds for God's Word to seed and bear fruit. Today's challenge is to listen with an open mind, reflect and respond.

Standing Together—16th July

Standing Together Sunday is an opportunity for churches across Britain and Ireland to unite in prayer and lament, and to stand against the increasing levels of serious youth violence. The hope is that Standing Together Sunday will inspire an increasingly passionate response of love and practical action from the Church towards the young people and families whose lives are devastated by the realities of youth violence. In your prayers today remember families whose lives have been devastated by violence.

Holiday Food banks

Foodbanks usually see an increase in demand for emergency food for children during the summer holidays. Over a third of all food distributed by the foodbank network throughout the year goes to children, but there is extra financial pressure during the school holidays for families who rely on free school meals during term time, amounting to between £30 and £40 a week per child. If you regularly donate to foodbanks, consider donating more in the school holidays. If you have never donated to a foodbank, now is a good time to start.
